- Completed Application Form
- Completed Comprehensive Evaluation *
- Completed Adaptive Behavior Test
- Completed General Intelligence Test or comparable test; and
- Any other relevant assessment such as psychosocial evaluations or education plan (IEPs)

* A Comprehensive Evaluation that considers physical, emotional, social, and cognitive factors. This must be completed by either a licensed physician, licensed clinical psychologist, or licensed psychological examiner. If a recent Comprehensive Evaluation, Adaptive Behavior Scale Test, or General Intelligence Test is not available, either Department staff or the Applicant’s Case Manager shall make a referral to the appropriate OADS regional office for completion of these items. Also, if you have someone else helping you with the application, we will need a [Release of Information](#) to speak with that person. If there is a guardianship or POA in place, evidence of that should also be submitted. Once this information has been reviewed, Department staff will let you know if there is any further information needed to make an eligibility determination.
